From the Chair

It is always with great enthusiasm that we welcome the autumn weather as a time when we can get back to our artistic creations and meet together with our ICAC friends, after a summer of gardening and outside entertaining.

At the AGM in June, two new members were nominated to serve on your Board of Directors for the next term. We are excited to welcome Kim Mott as our advertising representative and Maureen Brankley as the quilters' representative. The quilters, potters, rug hookers and fibre artists all presently have a representative sitting on our board. These are the members that work on your behalf, communicate important information and give you a voice on the Board of Directors. We are still looking for a painters' rep – please contact Heather or me with interested names for this position.

Your Board of Directors meet each month - all ICAC members are welcome to attend meetings, and the minutes of each meeting are posted following the meeting. If you wish to present to the Board, please contact your representative or myself. We would be happy to include you in our agenda.

Chair – Board of Directors, ICAC

Newell Award Recipient

We are thrilled to announce that Linda Trowell has been selected as this year's Newell Award Recipient. The Newell Award is given each year to a member who has contributed greatly to ICAC. Linda has served as the painters' rep on the Board for the past two years, instructs painting classes, chairs the logo committee and the art rental service, and additionally, volunteers at many events throughout the year. She is a most deserving candidate for this award, and we encourage all of you to attend this important presentation on Sunday Oct. 20th at 2:00 pm.

Program for Fall 2013

Please read the entire program to ensure that you don't miss any classes or workshops that may interest you. The program is categorized by discipline but for example a fibre artist may be interested in a mixed media class that is under the fine arts heading.

Deck the Halls Nov. 22 & 23, 2013

We are starting to plan the Deck the Halls Sale. If you sold at the event last year please note that some of the Vendor Codes will be changing, therefore you may not have the same code as you did last year. This is being done to avoid vendor codes which look similar (e.g. AD and AO look similar when written). We are also discussing having a children's table where children can shop for items \$2 or less for their family.

We are looking for suggestions, so please contact us if you have any suggestions. We would love to get your feedback.

Thank you

Community Engagement

We wish to thank Cathy Mott for presenting to the Ingersoll Firefighters and Emergency Responders a sketch of the Fire Hall on their 150th Anniversary. The sketch was commissioned by the ICAC and created by Heidi Arnold.

Volunteer Corner

Calling all volunteers. Grant proposals request the number of volunteer hours that our members do. Starting in September we are requesting volunteers to sign the volunteer binder in the office. Thank you to everyone who has volunteered in the past and who I hope will continue to volunteer in the future.
