From the Chair:

We eagerly look forward to a new start for creativity and friendships as September begins. I encourage you to attend our AGM on Tuesday Sept. 8th at 7:00 pm – this is usually a short meeting and an excellent opportunity to review all our accomplishments from the past year and focus on our future at ICAC. We have several positions on the board available – our Board of Directors are an amazing group – and we welcome new members, ideas and input. The meetings are once a month, usually only 2 hours in length and dates and times are decided by the members of the board. The success of any board is determined by the experience of past members combined with fresh ideas and energy of new members. Please consider putting your name forward for one of our available positions.

Art Rental

Our featured artist Margaret Charron's unique watercolours have attracted special attention this summer. We look forward to Norma Nixon's works to be exhibited next.

Now is the time to refresh our walls for the new season.

Please deliver new, and pick up previous art on or before September 8th & 9th to be installed on the 10th prior to Halls Creek Festival weekend. Norma's feature art will be in place before the main gallery exhibition opening reception on September 20th.

Remember to update your page in the art rental artist binder. This is a great opportunity to 'show us your stuff' to our members and visitors.

If you would like to be featured next, contact Linda Trowell at lindasart62@yahoo.ca or 519-425-1510.
