

Deck the Halls Information

Dates:

Intake: Wednesday, Nov 8, 2017 12:00 to 7:00 PM
Thursday November 9, 2017 9:30 to 11:00 AM

Sale: Friday November 10, 2017 and Saturday November 11, 2017

Mini sale: November 12, 2017 to December 11, 2017

Vendor ID:

Your vendor ID is the same as the one that you use in the store. It is listed in the green binder in the office labelled Vendor ID. Members' names are listed alphabetically, by first name. If you have a family membership it will be whichever family member was listed first on your membership form.

If no ID is listed beside your name, it means that we do not have a member ID for you. Use your initials (first and last) unless someone else has already claimed these. Make sure you check everyone whose name starts with the same initial. If your initials are already in use, include your middle initial as well or use any logical combination of initials starting with your first name. Write your vendor ID in the binder and it will be added to our records.

Product Tags

All tags on products, including donated items, must contain the Vendor ID followed by the item number and price. Use safety pins and ties where possible to ensure that tags do not fall off or leave a sticky residue. Each item needs a separate tag and tag item number. Product tags must be labelled with your vendor ID, and the tag number, which is explained under Registration below.

Registration of Items for Sale:

The updated registration form is now available on our website. There is now only one form to fill out for both donated and for profit items. The form for silent auction items is separate and will be completed during intake.

An example of how to fill in the registration form and tags is attached.

List donated items first. Donated items numbers will be 7-DON-#, where # is 1,2,3 etc. List for profit items next, with 7-#. Numbers on the registration sheet must match the tag numbers. Please have all tags and forms completed before coming to intake.

Silent Auction

Members are encouraged to donate at least one item to the auction or the general sale, especially if they are benefitting from sales of their works. Silent auction items should be brought to ICAC during intake. At this time you will need to set a minimum bid for your item and complete the form to be displayed with your item. A tax receipt is available for donated / silent auction items that total over \$25.00.

Vendor ID: *SS*

Phone: *555-5555*

Vendor name: *Sally Smith*

Email: *Ssmith@hotmail.com*

Mailing Address: *123 Happiness Lane*
