

## SUPPLY LIST FOR BIG STITCH QUILTING:

WEDNESDAY , NOVEMBER 19; 7-9 pm.

Elizabeth Bustard: 519-465-6967 (Call if you have questions)

---

We will be practicing Big Stitch Quilting on a square made up of 4 smaller squares measuring 5" x 5". The square will then measure 10 x 10 inches. These squares will be supplied, however if you would like to practice on a much larger square as well, you could make ahead of time, a sq. (using four 12" x 12" squares to make a 24" x 24" square.) After you have made your square, back it with a light weight batting and a 24 x 24 " piece of cotton for the back .. Machine Stitch either along the outside of the 20 x 20 inch square, or through the center.

Bring a # 8 embroidery needle or needles, scissors, and if you have it, bring a variety of color of Perle Cotton # 8 and a package of Size 4 Richard Hemming & Son Embroidery Needles. I know you can purchase these at STITCH -It-CENTRAL at 1161 Hamilton Road East London. Ontario. If all else fails and you want to take this tutorial just sign up and come and I will have needles, thread, squares on which you can practice. Be sure and bring a thimble. You really do not need a hoop to learn how to do this.
