

String Quilt-As-You-Go (1 Day)

This is a way to use up leftover strips of fabric, while learning the 'Pauline Rogers' method of doing quilt-as-you-go. You will be using any width of strip, 11" or less in length.

Instructor: Gladys Bidner

Date: Sat., Nov. 10

Time: 9:30 am – 3:30 pm

Fee: \$41.00 Members
\$59.00 Non-members

Registration Deadline: Fri., Oct. 26

Supplies Needed

- Sewing machine in good working condition with its Manual (just in case). A walking foot is very helpful. I sometimes use an open-toe foot but it is not necessary.
- If you have an electric bias tape maker please bring it (the Center has one for us to use if you don't have one) or if you have 1 1/2" clover bias tape maker this works as well.
- Thread to match your back and sashing .
- Fabric glue like "Roxanne Glue Baste It".
- Quilt binding clips. I find these easier to use then pins on the bulky pieces.

The yardage for this quilt is approximation as I used all different scraps including the horizontal, vertical and diagonal black pieces

- Backing: 2 1/2 yards cut into 8 1/2 squares. You need 80 for this size. You can make the quilt any size you wish.
- Batting: you need 80 8 1/2" squares
- Colorful scrap strips(strings) any width you wish but make sure you have some that are at least 11 1/2 " long. I will bring some to share with the class.
- Sashing Horizontal and Vertical: 4 yards. Please cut 3 or 4 strips that are 3" wide to get yourself started on the quilt.
- Diagonal Sashing: in mine it was the same as the horizontal and vertical but does not have to be. You will need 1 1/2 yards. Cut an 11 1/2" strip then sub cut into 1 1/2" by 11 1/2 " rectangles. For my size you will need 80.
- Square ruler - anything bigger then 8 1/2" and rotary cutter.
- Spray Starch.
- Basic sewing supplies.
